*If DePaul, include the instructor's name. Please attach additional sheets as needed

1) Please list any computer experience you have, e.g., PCs, software packages, mainframe applications, etc.

2) What work experience, internships, etc., do you have that would make you an asset as a graduate assistant?

3) If you have ever worked on a research project(s), list the title(s), briefly explain the nature of the project(s) and what you were responsible for toward its completion. Include a copy if desired.

4) Briefly describe your professional plans for the future and what you hope to gain by earning a master's degree and by being a graduate assistant.

5) Give a candid evaluation of yourself as a person; include those characteristics that you feel are your strengths and those that you feel are your weaknesses.

Please include your resume. You may supply any additional supporting documentation that you wish.
